Since 1916

COMPANY PROFILE

Wahson fan, the first China-made electric fan since 1916, which has been collected in national museum of industry. Over the years it developed its selling network in many countries.

Today, Wahson has established the ceiling fan manufacture in Zhongshan city, Guangdong. Guangdong Zhongpai Electric Technology Co., Ltd. is a large-scale manufacturing enterprise with a general investment of 10 million yuan and more than 12000 square meters plant area, integrating R & D, manufacturing, sales and service, committed to providing high-quality electric appliances around the world, to reach the great ambition of "reviving the light industry of the Chinese nation".

In order to supply the satisfactory products and services, we have built a modern quality management system which is in strict accordance with international standards to meet the design concept of green, function, fashion and technology. Besides, because of large overseas markets, most of our products have got ETL, CE and CB certificates. We do OEM and ODM service to customers too, if you have any new ideas or concepts for the products, we are glad to work together with you and finally bring you the satisfied products. In the future, we will continue to provide high-standard products and services based on the business mission of "inheriting century-old classics, promoting national brand." Welcome friends at home and abroad to seek win-win cooperation and create a better future together.
